

4th October 2019

Dear Parents and Carers,

One Nation UK

Thank you to all children, their families and staff who have been very busy collecting toys, stationary, clothes and sweets for the charity One Nation UK. They are a UK-based relief and development charity which has continued to support local and international relief projects to help improve lives. We have filled over 100 bags of hope that will be sent to children and families less fortunate than ourselves. A huge thank you to Miss Noshad and her team of children who spent many hours making up the bags. Such a worthwhile cause. <https://onenationuk.org>

Proud to be part of the Oldham Pledge

We are really proud to be officially part of the Oldham Pledge. The Oldham Pledge provides and promotes opportunities for children to develop key character traits, so that they are school ready, life ready and work ready. As well as having technical skills and qualifications, children need to acquire the key transferable skills and values that will underpin their jobs and careers in the future.

Class 9 are the first class to pilot the scheme.
