

11th October 2019

Dear Parents and Carers,

Anti-Hate Week

Next week we are raising awareness of Anti-hate week. We are privileged to have the Mayor attend our Whole School celebration Assembly on Monday the 14th of October to launch this very important week. Stop Hate UK will be present in Wednesday's assembly and in Friday's assembly we have an ex Oldham professional ... to lead Show Racism the Red Card Day. On Friday the 18th of October we ask that children come into school wearing red and if they could donate 50p which will be donated to an anti-hate charity voted for by the children.

Walk to School Challenge

Well done to all our children and their families who have started their walk to school challenge. The list below shows the percentages of children who either walked or rode their bikes.

Year 3 - 86% Year 4 - 82% Year 5 - 82% Year 6 - 84%

A special well done to Class 1 who had 75% of their class walking last week.

Visitors Comments

Year 5 thoroughly enjoyed their Greek workshop on Tuesday this week. We always have wonderful feedback from our visitors. This is what Past Productions said,
"It was great meeting a new cohort of children and we loved how they threw themselves into the show and the workshop afterwards. The children were polite and were all saying thank you and goodbye at the end of the day which was lovely. It was nice to bump into some of the year 6 children who remembered us from last year. They wanted to talk to us in their break time. We definitely look forward to coming back and working with the children again in the future."

Medical information

It is vitally important to inform school if your child has a medical condition/changes to a medical condition and or allergies. We have simplified a form for parents to use in order to inform us of this very important information. If your child has an allergy this should be verified by a health professional/doctor. A dislike to food is not an allergy.

ATTENDANCE

Attendance was amazing last week. All classes 1, 2, 3, 4, 5, 6, 7, 8 and 11 for achieving over 96%. A huge well done to Classes 1 and 5 for achieving 100%.
