

18th October 2019

Dear Parents and Carers,

Show Racism the Red Card

Thank you to all parents who made voluntary contributions to support the chosen Anti-hate charity 'The Sophie Lancaster Foundation.' The children came into school today wearing red and took part in engaging activities to raise awareness that racism is never tolerated. We thank Danny Cadamarteri a retired professional footballer who played in the football league for clubs including, Everton, Bradford City, Huddersfield Town, Leicester City and Carlisle United for speaking to the children and staff in whole school assembly this morning about the importance of respect.

CARD**

School Games Gold Award

We are so proud to announce that for the fourth year in a row that we have achieved the School Games GOLD Award. This award is a government led awards scheme launched to reward schools for their commitment to the development of competition across their school and into the community. Thank you to all families that allow their child to attend before and after school clubs and to Mr Clarke and other teachers who make this possible.

Big Bang Bonfire

The annual Big Bang Bonfire is back at Oldham Edge Playing fields on Tuesday the 5th of November. This is one of the biggest, loudest and most colourful events of the year. With fun-fair rides, mouth-watering food stalls, fire-themed entertainment, musical performances and a fantastic firework display lined up, this is not an event to be missed. (5-8.30pm)
The event is offering one lucky child the chance to press the big red button to start this year's firework display. All your child has to do to enter the draw is to visit:

www.oldham.gov.uk/OldBonfire

The deadline for entry submissions is midnight on Thursday the 31st of October.

Medical information

It is vitally important to inform school if your child has a medical condition/changes to a medical condition and or allergies. We have simplified a form for parents to use in order to inform us of this very important information. If your child has an allergy this should be verified by a health professional/doctor. A dislike to food is not an allergy.

ATTENDANCE

Attendance was amazing last week. All classes 1, 3, 4, 5, 7, 9, 10 and 11 for achieving over 96%.

DATES FOR NEXT WEEK

- * Monday 21st October - Whole School Assembly (9am - Parents Welcome) The Mayor to launch Year 5 Rocket World Visit
