

22nd November 2019

Dear Parents and Carers,

### Bikeability

Well done to all our year 4 children who were involved in Bikeability lessons this week. Bikeability is today's cycle training programme. It's about gaining practical skills and understanding how to cycle on today's roads. The teacher's who provided the training commented on how much they enjoy teaching our children and how engaged they are in lessons. If any parents wish to see their child awarded with their badges, Mrs Seabright will be presenting these in Monday's (25th November) Celebration assembly next week at 9am. We welcome all parents.

### Letterjoin

We are so very proud of how many children (including many boys) are improving their handwriting each week and we are celebrating this in our assemblies. If your child is not practising at home they can easily do this on a tablet. We have included more information alongside this newsletter. A huge thank you to all our parents who are supporting their children at home with these high handwriting standards.

### Children in Need

Thank you to all families and their children for raising £190 for Children in Need last Friday, both children and staff enjoyed dressing up in their pyjamas and whole school assembly made children aware of how the monies raised supports children in need.

### Spelling Shed Winners

Congratulations to our top speller Eisha Faisal (Class 8) with 27,456,606 total points for her correct spellings.

Place	Winners	Total points awarded for correct spellings
