

10th January 2020

Dear Parents and Carers,

Well Being Week

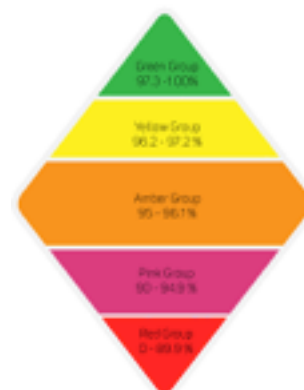

Next week in school there will be assemblies and activities planned to focus on the importance of looking after our emotional well-being. Children and families can help spread the word and raise awareness of this important issue. Please find more information on the back of this newsletter to discuss with your child/ren.

We aim for... 
100% 

100% Attendance

Well done to all the children who came in non-uniform today because they had achieved 100% attendance so far. This is a total number of 172 children. (47%). Attendance rates are so important because children are more likely to achieve both academically and with their personal development if they attend school consistently.

French Day

On Wednesday the 15th of January (next week) children will take part in a French Day. A French lunch will be on at lunchtime and french snacks such as, croissants and pan au chocolate. Children will also be linking their French knowledge to French artists in their topic work.

We would love children to come into school wearing red, white and blue clothes to represent the French flag, please look for clothes in this colour and we ask parents not to go out especially to buy something new.

Nurse Talk Years 5 and 6

Letters will be going out to parents in years 5 and 6 with information about the school nurse visit. It is important that children understand changes in their bodies and personal hygiene plus how to keep their bodies healthy.

ATTENDANCE

Well done to classes 1, 4, 6, 11 and 12 for achieving over 96% attendance last week. A huge well done to class 1 for 100% attendance in the last week of term.
