Parents Meetings

Thank you to the high number of parents who are attending parent meetings, our aim is to see 100%. It is important to work together for the best interests of our children. It has also been lovely to see so many parents in school.

Eating lunches

Our Mid-day supervisors are a fantastic asset to our school and work hard at lunchtime to ensure that children are encouraged to eat as much as they can of their lunch whether this be school dinners or packed lunch. Before the children leave the table to go out for their playtime they put up their hands so that a mid-day can check how much they have eaten - if they have not eaten enough they are encouraged to try a little more. If parents are worried about their child not eating enough during lunchtimes then please do speak to your child's class teacher.
