

7th February 2020

Dear Parents and Carers,

Our School's Curriculum

Our school's curriculum has now been published on our website. Here you will find the context in which we expect our children to learn at different stages through the quality of education at Alexandra Park Junior School. The context in which our children learn is relevant, engaging and meaningful. It also covers the sequence in which our children encounter the curriculum to ensure that they have the sufficient knowledge, skills and understanding for future learning and employment.

We aim to ensure that all our pupils grow to be;

- * **Successful learners** - who enjoy learning, make progress, achieve and have a thirst for learning;
- * **Confident individuals** - who are able to live safe, healthy and fulfilling lives;
- * **Responsible citizens** - who can work cooperatively with others and make a positive contribution to society.
