

The Oldham Pledge

Passport to Success

Name: _____

Oldham **Education** Partnership 

Every child and young person should expect to:

Be heard.

Be respectful and show respect to others.

Receive high quality impartial careers education, information and guidance.

Experience life through a broad and exciting curriculum both inside and beyond their place of learning.

Be offered employment, training, further education or work experience on leaving formal education as part of the Oldham Youth Guarantee.

Oldham would expect students to develop their individual responsibilities as they get older to:

Take ownership of their own learning.

Always do the best they can.

Ask for help and guidance when they need it.

Engage in collective educational activities so that others can learn as well as themselves.

To attend regular enrichment activities within your place of learning
