

3rd July 2020

Dear Parents and Carers,

Welcome to this weeks newsletter. We are hoping all our children and families are safe and well. You will have seen and heard in the news about the return of all children to school in September. The guidance from the Government was only released yesterday and please be reassured that leaders are working closely with the Local Authority and other schools in Oldham to ensure there are safety plans in place in order to ensure the best way forward. If you have any questions you can contact us by email on info@alexandrapark.oldham.sch.uk , text us on 07786201169 or alternatively you can phone the school on 0161 770 8321.

We thank all our parents for their patience and understanding in the many changes that have and continue to take place.

Well Done

A huge well done to **all** our children who are trying their best with their learning at home. Just try and do what you can and remember to limit your time online.

Studyladder

Oldham Library Opening

Oldham's library is re-opening From Monday, July 6 you'll be able to access a limited range of facilities, such as checking out books and using the computers. Due to the 2m social distancing rules visitors won't be able to browse the bookshelves. Instead, you'll be able to choose from one of the genre packs we've prepared, each containing three books. Children's books will also be available, with genre packs for different age groups. All available books will have been quarantined for 72 hours. The library will be open Monday to Saturday 10am to 5pm. For up to date information about what services and facilities will be available visit www.oldham.gov.uk/libraries

Want to try a fantastic science experiment at home?

For those of you who follow our Twitter page you will see that Miss Bradley has been trying out science experiments at home. If you wish to take part in the activities then please do share your fun with us @Alexpark_sch

You will find the science experiment for this week attached to this newsletter.

Oldham's Schools Linking Exhibition

LAUNCHING 4th July – This is us! Oldham's Schools Linking Exhibition

This online exhibition is the culmination of visits made by Oldham Primary School children to Gallery Oldham, Oldham Music Centre and Oldham Coliseum Theatre during 2019-2020 as part of the Schools Linking Project.

Originally planned as a Community Exhibition at Gallery Oldham, COVID – 19 means we are showcasing the children's amazing artwork, drama, and songs on our

<https://galleryoldham.org.uk/exhibitions/community-gallery/>

website instead.

Unfortunately, not all schools booked to visit Gallery Oldham as part of the Schools Linking Project were able to partake in a workshop or the exhibition due to COVID – 19.

We look forward to seeing them and fellow Oldham schools back at Gallery Oldham when we re-open!

Online Safety

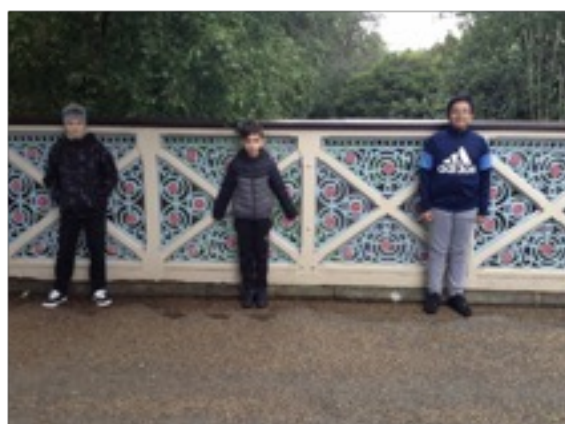

New from Parent Info: active gaming and Roblox guide

Gaming can be an active experience for children and young people. A new Parent Info article explores **how active gaming** works and the games available that help them stay active.
