Home Learning

A huge well done to all those children and families who have supported their children in accessing the home learning through Class Dojo whilst the school has been closed. We have had this opportunity to ensure that as many children as possible continue with their learning at home due to the unfortunate circumstances we are facing.

Head/Deputy Girls and Boys

Congratulations to our Head Girl **Aminah Siddique** (Class 12) and our Head Boy **Mohammed Ismail** (Class 11) for being voted in by their peers through a democratic vote. This is a very important role in school. They are excited and privileged to be leaders in our school.

Flu Vaccination

Thank you to all our parents for sending in the Flu vaccination forms. Intrahealth will be coming into school on Thursday the 19th November to carry out the vaccinations.

Children's Time To Shine

In our virtual assembly this week children were chosen to share their learning with the rest of the school. A huge well done!

Thank you to:

Hamza Hussain (Class 8) for sharing his wonderful art work.
Ayaan Khan (Class 8) for some super French work.
Ameera Yasin (Class 8) for her super science work.
Rehan Hussain and Aysha Jamil (Class 2) for sharing what they had learned last week.
Sufyan Afzal (Class 11) for his superb poetry work.

Postponed Fundraiser

Due to the unfortunate school closure this week we were unable to carry out our school fundraiser. This will now go ahead on Friday the 23rd of October next week. As a reminder for our families, **The children voted for Maggie's Oldham. They can come to school in non-uniform on Friday next week (dressed in something orange or something funny).** If we can kindly ask families to contribute £1 towards the chosen charity. Thank you for your support.

COVID Restrictions

What local COVID alert levels mean

Oldham has now been placed in Tier 2 - HIGH ALERT

A leaflet is attached to this newsletter and explains the restrictions.

Local COVID alert levels set out information for local authorities, residents and workers about what to do and how to manage the outbreak in their area. Local COVID alert levels are sometimes called 'tiers' or known as a 'local lockdown'.
