

Dear Parents and Carer

First, let me begin by saying a huge thank you for all of your support during this current situation. As you are aware, a few weeks back we started live teaching on Microsoft Teams. This has been a huge success. We are now ready to take the next steps to improve our remote learning experience. We have now created every pupil a Teams Login. Your child will be sent the logins within the next few days. We are removing the guest live link from class dojo as we felt that each child having a log in for Microsoft Teams will ensure the security of all the pupils on the live learning session.

Most of you have now experienced Microsoft Teams downloaded on your laptop or you have accessed the web version. If you have not done this already then I recommend that you download it onto your desktop. Your child then needs to log in using the username and password that will be sent over via text message to log on.

I have attached a quick guide to familiarise yourself and your child/ren with Microsoft Teams.

This will start W/C Monday 01st February 2021. No learning links will be put on dojo from this point forward and we will expect all children to log in using their teams username and passwords.

Yours Sincerely

Mrs J Seabright
Asma Rashid
