

Supporting parents

To make it easier for parents and to reduce the number of adults and children around the one way drop off and collection route we are proposing this.

In the mornings please drop off all your child/ren at the youngest siblings time.

For example, if you have three children one in year 6, one in year 4 and one in year 3 the time would be the year 3 time.

At the end of the day please collect your child/ren at the eldest child's time.

For example, if you if you have three children one in year 6, one in year 4 and one in year 3 the time would be the year 6 time.

This allows parents to drop off and collect once and not continue to go around the one way system.

All children will be supervised by adults in school.

Just to remind all parents of the start and finish times:

Year 3	Start - 8.45am	Finish - 2.45pm
Year 4	Start - 8.55am	Finish - 2.55pm
Year 5	Start - 9.05am	Finish - 3.05pm
Year 6	Start - 9.15am	Finish - 3.15pm

We thank parents for their support and patience.
