COVID Test results - REMINDER

A reminder to parents to send any results to us directly regarding COVID test results. This email is covid@alexandrapark.oldham.sch.uk

If you receive a negative or positive result anytime (including the weekend AND over the Holidays) please email the details to the above. The sooner we are informed the sooner we can allow your child back into school or take action (with the advice from public health) for a bubble/class of children that may need to isolate. We can then inform parents if required.

We thank all parents for the immediate responses we have had. You have certainly worked with staff to support the safety of children and staff with high levels of communication.
