Dear Parents/Carers,

Good News, we have been given the green light to run a sports day for your children this year.

After such a strenuous time this is certainly a step closer to normality. We have spoken to the children and they have requested that we do a full day of sports to celebrate and also enjoy healthy competition between other classes and year groups.

As I am sure you're aware we will still need to have safety measures in place such as social distancing and cleaning of equipment during the activities.

Unfortunately, we will NOT be able to have parents/carers to come and watch however please do follow on Class Dojo or the school twitter page as you will be able to see just how much fun your children will be having.

On Friday 2nd July your child's class will be given a country. They can dress in something sporty that would represent the colour of the flag.

Equipment Needed

Water bottle

Hat

Sun cream

Asthma Pipe

Yours Sincerely,

Mr Clarke
Pastoral Mentor/ Sports Development Lead

Mrs J Seabright
Head Teacher
