

Spelling shed winners

A colorful illustration for a spelling competition. The background is a bright blue sky with a single white cloud. In the foreground, there's a green grassy field. On the left, a yellow beehive sits on four small legs. On the right, a wooden shed with a grey roof and a chimney is visible. A small red flower with black leaves grows near the shed. Several cartoon bees are scattered around: one on the beehive, one on a daisy flower in the center, one on the shed's roof, and one near the bottom left. The text is in a playful, bold, yellow font with a dark outline.
